

2. ♀ In the centre, the Golden Flower; radiating out from it, fishes as fertility symbols (corresponding to the thunderbolts of the Lamaist mandalas).

3. ♂ A luminous flower in the centre, with stars rotating about it. Around the flower, walls with eight gates. The whole conceived as a transparent window.

4. ♀ Separation of the air-world and the earth-world. (Birds and serpents.) In the centre a flower with a golden star.
